Families of the Incarcerated is a group of family members in the Lexington, Kentucky area with loved ones incarcerated, committed to providing support to one another and provide for a smoother transition for the families once their loved ones return home. They meet the 3rd Wednesday of each month at Northeast Christian Church and welcome all families who are seeking a place of love, support, and encouragement as they deal with having a member of their family in prison.

Kentucky Reentry is made up of reentry task forces or councils throughout the state of Kentucky. The reentry groups do not provide services for ex-offenders, nor do they have reentry programs. They are made up of individuals and organizations networking together to share information and improve the reentry process. The members may be organizations and/or individuals that provide services and/or have interests in helping. Each group is focused toward ex-offenders coming back to their areas, the issues involved, and making their community safer.

- To address the current issues ex-offenders face
- To develop a network of resources and service providers within their area
- To communicate and advocate ex-offender issues to the community and their leaders
